Quality Management Policy

MOG-POL-QUA-001 | Revision 1 | Reviewed: 16 October 2026 | Status: Approved

OPERATING STRUCTURE

Company operating structure: Mogas Design Limited is a director-led, husband-and-wife engineering consultancy owned 60%/40% by its two directors. It has no salaried employees. Engineering services are performed by the directors and independent self-employed or limited-company contractors, normally working remotely from their own premises. The principal day-to-day working location is a converted garden office at a director's home. The central London address is a postal/correspondence address only, not a staffed operational office. Directors may undertake client-authorised gas-site visits.

Company No. 15188968 • 5th Floor, 167–169 Great Portland Street, London, W1W 5PF, UK (correspondence address)

1. Purpose

Mogas is committed to accurate, traceable and timely engineering services covering pipelines, AGIs, mechanical and civil interfaces, hazardous area assessment and independent design approvals and appraisals.

2. Quality commitments

Agree requirements and applicable legislation, standards, deliverables, review criteria and scope before starting. Use competent persons with appropriate independent checking. Control design inputs, assumptions, revisions, change and communication. Record deviations, comments and close-out evidence and ensure safety-critical issues are not obscured.

3. Responsibilities

The Director is responsible for the company's quality framework, resources, improvement and review. Each appointed engineer is responsible for competent work within their authorisation; designated reviewers and independent approvers/appraisers must preserve required independence.

4. Monitoring and improvement

Review customer feedback, defects, rework, complaints, timeliness and corrective actions. Share learning with contractors and update procedures as needed.

5. Certification position

This is the company policy and is not a representation that Mogas holds accredited ISO 9001 certification.

6. Review

Review annually and when contracts, regulations or operating arrangements materially change.
